As we reflect on another year filled with Sooner Magic, I want to extend my sincere appreciation for your generosity to the Sooner Club. We’ve achieved so much together in our classrooms, communities, and playing arenas – feats YOU directly influenced.

This year, we’ve collectively set out to continue building on our rich tradition of excellence and remind ourselves daily of those who brought Oklahoma Athletics to become a national leader. Throughout our history, we’ve often attributed Sooner Magic to play on the field, but it isn’t always the comeback or magical performance. Rather – it’s the direct output of our commitment and intentionality of our values. Values YOU’ve cemented by supporting the Sooner Club.

Throughout my time at the University, we’ve set forth on ambitious initiatives which many considered unattainable, but we’ve had an invaluable teammate to accomplish these goals – YOU. Together we’ve brought first-generation college students to Norman, provided world class facilities and showcased the University of Oklahoma to the rest of the country. Moments that wouldn’t happen without YOU.

Aside from providing a world class opportunity for our student-athletes, our ongoing goal is to provide first-class service to our members who do so much for OU Athletics. In the next year, we’ve set aim at taking another step forward as an athletics department with two enhanced initiatives designed with all members in mind: the Inspiring Champions Fund and Capital Gifts. As you look through these pages, you’ll find noticeable enhancements to your Sooner Club membership and new ways to align your giving and interests.

I am so thankful for your past and continued membership to the Sooner Club. Your gifts have transformational impact on the success of our student-athletes. We look forward to adding to the historic tradition of OU Athletics in years to come, which will undoubtedly be bright because of YOU.

Sooner Club Modernized

Our modernized giving structure allows us to thank Sooner Club members in an enhanced way through special experiences and exclusive member benefits.

- New opportunities to make a Tax Deductible Gift while improving your priority benefit outside of home tickets.
- Two new Priority Point Systems (Championship and Sooner) will be implemented to separate non-deductible gifts and philanthropic gifts to OU to comply with the Tax Cuts and Jobs Act of 2017.
- Our strength when we come together makes any ambitious goal possible. To increase overall Sooner Club membership, we’ve formed a new entry point ($50) giving level to support OU.
- We’ll be allocating home tickets different than all other benefits to comply with the Tax Cuts and Jobs Act of 2017.
- Overall giving to athletics will be calculated towards your membership level for Championship Allocations.
- As part of these improvements, past support to OU Athletics will be honored so previous points will carry over into two separate priority systems.

Sooner Club Redefined

The Tax Cuts and Jobs Act of 2017 removed the tax deductibility for the “right to purchase” seats at home venues of the institution. The Sooner Club and OU Foundation have been closely monitoring the interpretation of the law and have since identified new opportunities to make philanthropic gifts to OU Athletics.

WHAT WE’VE LEARNED SO FAR:
- Tax deductions cannot be awarded for donations that directly or indirectly influence your priority for home season or home single game tickets.
- Priority points earned for charitable gifts cannot determine your home season or home single game priority ranking.
- Deductible gifts cannot determine your membership level if utilized for home season or single-game ticket priority.

HOW OUR NEW GIVING MODEL WILL BENEFIT SOONER CLUB MEMBERS:
- Separates philanthropic gifts from home tickets to provide deductible giving opportunities and benefits outside of home tickets.
- Allow Sooner Club members to align their gifts with their passions (i.e. scholarship support, facility projects, or student-athlete welfare).
- Provide tax deductible opportunities with benefits not related to home tickets.
- Account for total gifts to OU Athletics to recognize members who’ve been giving above their annual seat contributions.

DUAL PRIORITY SYSTEM

We want to recognize the longstanding support of many season ticket holders and Sooner Club members. With this in mind, existing priority points will be carried over into each category rather than beginning at zero.

EXAMPLE

A member with 50 priority points in 2018 will begin 2019 with 50 Championship and 50 Sooner Points.

Members who continue to go above and beyond their seating donations will experience a new way for their gifts to be recognized for special events and exclusive benefits outside of home tickets.

MEMBERSHIP LEVELS

NEW: Sooner Club members’ total gifts to OU Athletics in (1) calendar year will determine your membership level for non-home ticket allocations.

EXAMPLE

Tammy is a club seat holder who pledged $10,000 towards the Gaylord Family – Oklahoma Memorial Stadium Renovation Project. She is making a $3,500 payment on that pledge this year with a $4,000 priority seating donation ($7,500 total gift). In previous years, only her $4,000 annual donation was factored into her membership level although she was making an additional philanthropic gift. Under the new improvements, Tammy will be recognized at the Bud Wilkinson Level and improve her priority for non-home ticket allocations by approximately 1,000 members.

DID YOU KNOW?

Did you know? Over 25% of members have made philanthropic gifts above and beyond their seat requirements? You can too by making a gift to the newly created Inspiring Champions Fund.

How can I improve my Membership Level for Championship Allocations?

Investing in the Inspiring Champions Fund or a Facility Project/Scholarship Endowment.

**Example**

In 2018, Peter made a $4,000 priority seating donation for his MidFirst Bank Stadium Club seats and a $6,000 additional gift for a total donation of $10,000, none of which was tax deductible. In 2019, Peter plans to continue his $10,000 annual donation ($4,000 priority seat donation + $6,000 Inspiring Champions Fund). Additionally, he wants to help OU accomplish their facility project goals and pledges $25,000 towards the general capital fund to be paid off with $5,000 payments each of the next 5 years. Peter will be donating $15,000 annually. Under the enhanced member benefits, $11,000 of Peter’s donation will be tax deductible and he will be recognized as a Captain in the Champions Society (see page 13). Peter improved his priority for non-home ticket allocations by approximately 743 members from 2018 to 2019.*

**Did you know?**

Matching Gifts and Donor Advised Funds may be used towards Inspiring Champions Fund and/or facility Gifts. Approximately 20% of members have made a capital gift of $25,000 or more toward facility projects? You can too by making a pledge and reaping the tax and membership benefits.

The University of Oklahoma is synonymous with Champions. At OU, student-athletes are equipped with the opportunity to excel socially, academically and athletically. What began as Football’s historic streak of 47 Straight has led to Softball’s 4 National Championships and the label of Gymnastics U, accomplishments that enhance our iconic tradition. Since the 47-game winning streak, OU Athletics has earned 32 National Championships in seven different sports and the student-athletes have set the standard for scholarly excellence amongst our peers, cementing OU as Champ U.

To honor this unmatched tradition at Oklahoma and the success for all 21 athletic programs made possible by Sooner Club members, our newly established Champions Society will provide members with exclusive access, experiences and first-class benefits. Champions Society members provide the foundational resources to inspire OU student-athletes to be Champions for Life and passionately enrich our unprecedented streak of academic and athletic success.

**Why this is important to our success?**

There are upcoming facility projects for several of our programs that strive to accomplish what the Gaylord Family - Oklahoma Memorial Stadium project did in reimagining how we can equip our student-athletes with the best resources in the country. These projects will only become a reality through private philanthropic support from leaders in our community that partner with OU Athletics at these levels.

**How can this improve your benefits?**

With total giving now being calculated towards your membership level for Championship Allocations, there are many opportunities for you to make gifts to OU Athletics. Both Capital and Inspiring Champions Fund gifts influence your overall membership level which allow you to receive increased non-home ticket related benefits and a tax deductible receipt outside of your priority seating gifts.

Opportunities to be involved can differ in many ways. By making a gift to the Inspiring Champions Fund, you’ll receive OU Championship Points per $100 in the current year which will influence your overall membership level for Championship Allocations. Similarly, you may also pledge a Capital Gift towards an upcoming facility project where you can direct your gift towards your favorite OU facility while receiving (2) Championship Points per $100 for life.
Ways to Improve Your Championship POINT TOTAL

Inspiring Champions Fund Gift – These gifts are tax deductible and provide over 500 student-athletes the resources needed to excel in the classroom and in competition.

Facility Projects and Scholarship Endowments – Provide Championship support for a current or future project or invest in OU Athletics’ scholarship endowment for current and future student-athletes.

Gaylord Family - Oklahoma Memorial Stadium Case Study
OU Football has long been a blue blood in College Football due to the significant contributions of Bennie Owen, Bud Wilkinson, Barry Switzer and Bob Stoops. In 2014, OU Athletics envisioned a transformational project where OU Football would remain atop all of College Football through a state-of-the-art training facility within the stadium. Through the collective efforts of over 2,000 Sooner Club members who made Capital Gifts to the project, recruiting has jumped to Top 10 in the country since the facility opened.

Joe Donor has two (2) seats in Section 33 for football with a $1,000 seat gift ($500/Seat Annual)

Jane Donor has two (2) seats in section 33 for football with a $1,000 seat gift ($500/Seat Annual). In addition, Jane Donor is passionate about the student-athlete experience and makes an additional gift of $1,000 to the Inspiring Champions Fund.

The Norman Family has two (2) seats in section 33 for football with a $1,000 seat gift ($500/Seat Annual). In addition, the Norman Family wants to make an impact on future facility projects and makes a $1,000 capital gift to the General Capital Fund.

**INSPIRING CHAMPIONS FUND**

The Inspiring Champions Fund (ICF) creates opportunities for over 500 student-athletes to have a world class experience while at the University of Oklahoma.

How can these gifts improve my Sooner Club Priorities?

Gifts towards the Inspiring Champions Fund are tax deductible and improve your membership level and priority point total for all Championship Allocations.

**EXAMPLE**

Shelly has been attending sporting events since the Bud Wilkinson Era. One of her most valued benefits is game day parking for Football games. Her annual seat donations total $4,000 but she'd like to park in a Boomer Lot due to its proximity to the stadium. Shelly's background is in medicine and she understands the importance of proper medical training for student-athletes so she elects to make a $3,500 ICF gift. Since parking is calculated by total giving, her membership level is $7,500 which puts her at the Bud Wilkinson Level. Her $3,500 gift will be tax deductible while providing funds towards a cause she cares deeply about.

**CAPITAL GIFTS**

There is a growing need to once again transform our facilities and grow our endowment. With no student fees or general university funds, each facility project and scholarship endowment is funded through private support. When committing to a capital gift, each member has various opportunities to leave a meaningful legacy with OU Athletics via naming opportunities recognizing your generous support. Members may elect to make a capital gift anonymously. Nonetheless, a capital contribution significantly changes the future of OU Athletics while improving your Championship Allocation priority and providing a tax deduction.

**EXAMPLE**

John and Jane Donor are passionate about OU’s Softball and Football programs. They currently have two club seats with a $2,000 per seat donation for Football. Although their $4,000 seat related gift is non-deductible, they wish to pledge $10,000 towards the Softball Stadium Project. Their payment on the pledge this year will be $3,500, which is tax deductible. With a total gift to OU Athletics in 2019 of $7,500, John and Jane will be recognized at the Bud Wilkinson Level, receiving priority allocation for the Red River Showdown, Parking, and all non-home tickets. In October 2018, the University of Oklahoma Board of Regents approved the next phase of the renovation to Gaylord Family – Oklahoma Memorial Stadium. This phase will focus on adding handrails to the entire lower bowl, Wi-Fi capabilities for the entire stadium and ADA accessible seating. The project is expected to cost approximately $14.9M and will be completed prior to the 2019 Football Season.

Through the Griffin Family’s dedication to design and provide the largest gift to date from a former basketball student-athlete, the Griffin Family Performance Center opened in the Fall of 2018, providing Men’s and Women’s Basketball a distinct advantage in recruiting and developing the world’s best student-athletes.

The 11-acre Ransom Short Course was constructed with a layout similar to that of a par-3 course, featuring four holes surrounded by multiple bunkers and each green in a different style. The course was dedicated in 2018 and transformed the way our Men’s and Women’s Golf Teams train.

Based on this additional gift, his priority ranking will be ahead of approximately 7,500 members.*

Big 12 Championship

Big 12 Championship tickets will be allocated by Championship Points within membership level to determine seat location(s) and the number of eligible tickets for each account.

Big 12 Championships go through Norman. Since 1998, OU has won 89 conference championships with 12 being earned in Football. With the reintroduction of the Big 12 Championship game at AT&T Stadium in Arlington, Texas, Sooner Club members have enjoyed an additional opportunity to cheer on their Sooners.

How you can improve your priority ranking.

Jane Donor moved to Dallas after graduating from OU. She enjoys making it back to Norman and especially enjoys the Big 12 Championship Game in Arlington. She previously was a Silver Level member contributing $4,000 towards OU Athletics. With the recent membership enhancements and the same gift amount, her priority ranking improved by approximately 400 members allowing her to improve her priority for the Big 12 Championship while continuing to make the same gift as past years.*

Bowl Games

Bowl tickets will be allocated by Championship Points within membership level to determine seat location(s) and the number of eligible tickets for each account.

OU Football ranks 87 all-time with 52 Bowl Appearances in its rich history. Since becoming the only school to win all BCS Bowl Games and the National Championship, OU Football has enjoyed recent appearances in the Orange, Sugar and Rose Bowls. The ticket allotment OU receives for each bowl allows those closest to the program to enjoy a memorable experience in some of the most prestigious bowl games in college football.

How can you improve your priority ranking?

Justin and Ashley are third generation Sooner graduates who grew up traveling to watch OU football compete in bowl games. They’ve heard the inspiring stories of student-athletes being first generation college students and want to pay it forward in a direct way. Along with their $300 donation for seating priority, Justin and Ashley wish to make a gift of $200 towards the ICF to cover the cost of books for a student-athlete for one semester. Based on their philanthropic gift, they receive (6) Championship Points on top of their (3) Championship Points related to their seating priority.*

Peggi Welker has been a lifelong fan of OU Athletics and has been a Sooner Club member since 2001 along with participating in many of the sport specific booster clubs. She is a season ticket holder for softball and women’s basketball and frequently makes the trip from her home in Pawnee to Norman. Welker has always admired Coach Gasso for her values, morals and coaching ability and decided that the best way for her to help OU was to establish an endowed scholarship for a softball player. In November of 2017, The Peggi D. Welker Softball Scholarship Fund was created indicating that a portion of her estate will be directed into the fund. Peggi’s wish is that her planned gift will help OU Softball continue and expand the great winning tradition that has been established.
