

LETTER *from the Director*

Dear Sooner Alumni, Fans and Friends:

The University of Oklahoma celebrates a wonderful tradition of success throughout all of our intercollegiate athletics programs. This history of achievement was made possible by many coaches, student-athletes, staff, administrators, fans and friends all working together for a common goal...winning with integrity! Our game plan for success includes a strong commitment to compliance with all University, Big 12 Conference and NCAA rules. Undoubtedly, many of the rules we follow are not easily understood by our key stakeholders. However, there is something everyone can remember...ask before you act!

This website is one of the many vehicles we utilize in our rules education for coaches, student-athletes, staff and you. Please peruse this site at your convenience. However, we realize you may not find answers to all of your questions so please contact our Athletics Compliance Department at (405) 325-7004 for any reason. We also provide a "hot line" number you may use if you want to anonymously report a concern; that phone number is (405) 325-6479.

Thank you for taking time to review our compliance program. Rules compliance is two-fold; shared responsibility and shared accountability. When we are committed to this aspect...all of our other goals are possible.

Thank you for your continued support.

Sincerely,

Joseph R. Castiglione
Vice President for Intercollegiate
Athletics Programs and Director of Athletics
